Each of these high-priority editorial topics provides overarching, skillfully charted focus on critical, ever-changing area of the television industry landscape. Typically running 8-12 pages, Issue Themes are strategically composed across myriad articles and sections, and have been acknowledged as the most relied upon source of perspective and best practices, as well as a forward-thinking lens toward this industry's future. Promoting your company's brand and message directly adjacent to this trusted strategic content throughout the year will continue to amplify your unique value and benefits to the B&C audience.

B&C SALUTES

The B&C Salutes series places a spotlight on industry-recognized awards, editorial acknowledgements, honorees, and industry leaders. Running approximately 4 pages each, Salutes cover individuals, companies, and teams across innovation, leadership, technology, programming, emerging talent, content, and brands across the full universe of the television, OTT, and VOD ecosystem. Your support, tailored message, and custom ad help to recognize our industry's best, while spotlighting your own brand, leadership, and contributions to the industry.

SUPPLEMENTS

Specifically geared and focused to support our marketers needs to reach these critical audiences, these tools are designed in a custom manner intended to benefit your marketing and sales growth. Content is reviewed by the award-winning editors of B&C to help promote your solutions and brand recognition. These supplements are built to house advertiser-supplied copy and design, in an effort to provide our marketing partners with an environment geared towards custom messaging.
